

bailey benefit news

This update is sent periodically to keep you informed of employee benefit plan issues that may impact your organization.

Now that the Health Care Reform Bill is the new “law of the land”, we know you have many questions concerning the 2,500+ pages of legislation.

We invite you to this informative breakfast presentation to learn more about the new Health Care Reform law. Please note, Business Courier readers are also being invited to this event and space is limited so we encourage you to register immediately.

Topics will include:

- What does this new legislation mean?
- How will it impact you and your employees?
- What are the key provisions?
- When do the different components of the new law become effective?

Health Care Reform is the most comprehensive piece of legislation affecting Americans since the enactment of Medicare and Social Security. Now that the dust has settled business owners, organizations, and human resource professionals should begin to assess the impact of these new rules on their health plans and their businesses. There is no cost to attend any of these sessions. The speakers are Michael Suttman, McGohan Brabender President; Paul Routh, Esq., Weprin, Folkerth & Routh, LLC.
